**Subject:** RE: Public Safety Committee Meeting Notice

Here's the amended language on the definition of "bicycle" which in the bill, HB51, which the Governor will sign into law on April 1 - as you will note we deleted the 2 or 3 wheel language and put "two or more wheels" into the law instead.

|                                                                                       |      |
|---------------------------------------------------------------------------------------|------|
| (K) "Bicycle" means every device, other than a <del>tricycle</del>                    | 2517 |
| <u>device</u> that is designed solely for use as a play vehicle by a                  | 2518 |
| child, that is propelled solely by human power upon which <del>any</del>              | 2519 |
| person may ride, and that has two <del>tandem or more</del> wheels, <del>or one</del> | 2520 |
| <del>wheel in front and two wheels in the rear, or two wheels in the</del>            | 2521 |
| <del>front and one wheel in the rear</del> , any of which is more than                | 2522 |
| fourteen inches in diameter.                                                          |      |
