**Re: *Edward Graham, et al, v. City of Lakewood, et al.*
Cuyahoga County Court of Common Pleas, Case No. CV 15 846212**

Dear Mr. Huntsberger:

As you are aware, the City of Lakewood and Mayor Summers, along with Lakewood Hospital Association, Thomas Gable, Cleveland Clinic Foundation, Dr. Cosgrove, Lakewood Hospital Foundation, Kenneth Haber, and Subsidiary Healthcare, LLC, have been sued by five Lakewood residents in the above-captioned suit.

The Amended and Restated Lease entered into by the city and LHA on or about December 23, 1996 contains an indemnity provision. Section 9.9 of the Lease provides as follows:

The Lessee (i) releases the City from, (ii) covenants and agrees that the City will not be liable for, and (iii) covenants and agrees to indemnify the City against all liabilities, claims, costs, losses and expenses imposed upon or asserted against the City on account of

(a) any loss or damage to property, or injury to, death of or loss by any person, that may be occasioned by any cause whatsoever pertaining to the acquisition, construction, improvement, equipping, maintenance, operation or use of the Leased Premises or occurring otherwise in or about the Leased Premises;

(b) any breach or default on the part of the Lessee in the observance or performance of any covenant, agreement or obligation of the Lessee

under the Lease or arising from the acquisition, construction, improvement, equipping, maintenance, operation or use of the Leased Premises, or from any act or failure to act by the Lessee or any of its agents, contractors, servants, employees or licensees;

(c) ownership or lease of any interest in the Leased Premises; and

(d) any action, claim or proceeding brought in connection with any of the foregoing.

The amended complaint, which was filed on August 5, 2015, is replete with allegations that the plaintiffs have suffered losses due to the lack of maintenance, the lack of equipping, and the operation of Lakewood Hospital. Likewise, the amended complaint is replete with allegations that LHA has breached the amended lease. Finally, the plaintiffs' claims against the city arise out of the city's ownership of and lease of Lakewood Hospital to LHA.

Based on the allegations in the amended complaint, the provisions set forth above from Paragraph 9.9 of the amended lease between the city and LHA require that LHA indemnify the City of Lakewood in the above-captioned suit. Although we are of singular purpose in defending against these claims, the city nevertheless must seek indemnification.

As you are aware, the city and Mayor Summers have retained Brzytwa Quick & McCrystal to defend them in this litigation. Pursuant to Section 9.9 of the amended lease, the city and Mayor Summers request that LHA pay the legal fees and expenses incurred by the city and Mayor Summers in this litigation and indemnify them against any judgment entered against them in this litigation.

A copy of Brzytwa Quick & McCrystal's invoice for services rendered through July, 2015 is attached with the narrative portion of the invoice redacted to preserve the city's and Mayor Summers's attorney-client privilege. If you're able to dispense with the city placing LHA and the Cleveland Clinic on formal notice of this request under the notice provisions of the lease, and of course if LHA agrees with the request, please cause a check, made payable to "Brzytwa Quick & McCrystal LLC," to be sent to me for the full amount of the attached invoice. As I receive additional invoices, I will send them to you requesting further payment unless you direct me toward some other procedure.

I look forward to LHA's response to this request. Please feel free to call me to discuss any questions you may have.

Very truly yours,

Kevin M. Butler
