Hi, Colin. Just checking in to see if you've had a chance to come up with a draft for an email from council about the hospital. I haven't been able to get in touch with ML yesterday or today so not sure if this effort is still moving forward. Just wanted to update Tom on the status. Tom would like to get council's blessing before something like this goes out, so timeframe is a bit of a concern. I will be back in the ofc tomorrow to help coordinate input from council if needed.
