Barb:

The \$120 million slide was demolished at the last meeting. As it should be as it is bogus. My strong recommendation is to remove all reference to that unfortunate number.

Team,

I'm attaching outlines for both the March and April meetings, based on today's discussion. I will send these to Heather Phillips at the Cleveland Clinic in a separate email, copying our PR team on that email. Please let me know if I missed anything or if you have any additions or revisions.

I will be traveling all day tomorrow and out of the office next week. The best way to reach me is by email or cell phone.

Thanks!

Barb
