Shawn -

We received your email address from Tom Bullock in the Lakewood City Council, and he indicated that you would be a valuable participant in our interview process related to the Lakewood Hospital project in which we are involved. We have been working with the mayor, Mike Summers, and the Lakewood Hospital Association board to consider future options for Lakewood Hospital.

We will be in Lakewood this **Wednesday the 21st**, and could do a phone interview from 11:00 AM EST onward if you are available. This would be our first choice if you are available, but could you please send any available time slots you may have open?

We are also going to be tentatively be in town over the next several weeks to conduct some additional interviews, and have some days available, including:

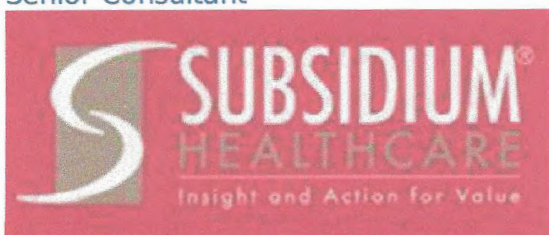

- Friday 08/23
- Monday 08/26
- Friday 08/30
- Tuesday 09/03
- Monday 09/09 through Friday 09/13
- Monday 09/16 through Thursday 09/19

We are working on other interviews during those times, but let us know if a phone interview would work with your schedule on those days, or if another day in the next week or so would work as well.

We look forward to meeting with you. Best regards -

Best Regards -
