

Lakewood Community Services Center Invites You to

ADOPT – A – FAMILY

Please consider adopting a family this holiday season!

For many of our families, finding money for holiday gifts for their children is going to be more difficult than ever before. You can help by adopting one of LCSC's client families this year.

It's easy! Just call LCSC (216-226-6466) and ask for Colleen Timm or Trish Rooney, who will match you with a family who has completed a Wish List for their children.

If you want to help, but cannot adopt an entire family, we will provide you with a list of individual gifts that we will distribute to our client families.

The deadline for signing up to participate as an Adopt a Family sponsor is December 2nd and all gifts must be delivered to LCSC by December 20th.

Your generosity will bring joy to children and parents alike!
